Allowable Subject Matter

Claims 1-3 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach nor does any combination thereof fairly suggest a mattress system having an expandable cushion arranged in a cavity with a pressure reservoir maintaining a relatively constant pressure in the system, and a fluid pressure switch operable to automatically activate and deactivate a pump to maintain a defined pressure level in the expandable cushion. The combination of elements as set forth in the claims is not shown by the prior art, and in particular the features as set forth above

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
